

Anti-CD3/CD19 antibody [OKT3, 4G7] {FITC/PE} (STJA0002512)
STJA0002512**GENERAL INFORMATION**

Product Type	Primary antibodies
Short Description	NA monoclonal antibody anti-CD3-FITC/CD19-PE is suitable for use in Flow Cytometry research applications.
Applications	FC
Host/Source	
Reactivity	Human

PRODUCT PROPERTIES

Clonality	Monoclonal
Clone ID	OKT3, 4G7
Concentration	5 Mu L/Test
Conjugation	FITC/PE
Purification	
Dilution Range	
Formulation	Phosphate buffered solution, pH 7.2, containing 0.09% stabilizer and 1% protein protectant.
Isotype	
Storage Instruction	Recommend storing between 2-8°C and protecting from prolonged exposure to light. Do not freeze this product.
