

Rat Thrombopoietin/THPO/TPO protein (Recombinant) (No-Tag) (STJP003099)

STJP003099

GENERAL INFORMATION

Product Type	Proteins
Short Description	
Host/Source	HEK293 cells

PRODUCT PROPERTIES

Concentration	
Formulation	Lyophilised from a 0.22 µg/ml filtered solution of PBS, pH 7.4.
Purification	
Dilution Range	
Storage Instruction	Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles.

TARGET INFORMATION

Gene ID	81811
Gene Symbol	Thpo
Uniprot ID	TPO_RAT
Immunogen Sequence	

This product is suitable for in-vitro studies under the RESEARCH USE ONLY [RUO] licence. This product must not be used as for diagnostic or other medical purposes.
