

Anti-Gastrin antibody (STJ16101283)

STJ16101283

GENERAL INFORMATION

Product Type	Primary antibodies
Short Description	Guinea Pig polyclonal antibody anti-Gastrin is suitable for use in Immunohistochemistry and Immunofluorescence research applications.
Applications	IHC-F, IHC-P, IF
Host/Source	Guinea Pig
Reactivity	Human, Rat

PRODUCT PROPERTIES

Clonality	Polyclonal
Clone ID	
Concentration	
Conjugation	Unconjugated
Purification	
Dilution Range	IHC-F IHC-P IF (1:1 000-1:1 500)
Formulation	Lyophilized; reconstitute in 100 µl dist. water
Isotype	
Storage Instruction	Store at 2-8°C upon receipt.
