

Anti-IgG antibody [PIP] {Biotin} (STJA0002497)

STJA0002497

GENERAL INFORMATION

Product Type	Primary antibodies
Short Description	Armenian Hamster monoclonal antibody anti-IgG is suitable for use in Flow Cytometry research applications.
Applications	FC
Host/Source	Armenian Hamster
Reactivity	

PRODUCT PROPERTIES

Clonality	Monoclonal
Clone ID	PIP
Concentration	0.5 mg/mL
Conjugation	Biotin
Purification	
Dilution Range	
Formulation	PBS with 0.05% Proclin300, 1% BSA
Isotype	IgG
Storage Instruction	Recommend storing at 2-8°C. Do not freeze this product.

TARGET INFORMATION

Gene ID	
Gene Symbol	
Uniprot ID	
Immunogen	
Immunogen Region	
Specificity	
Immunogen Sequence
