

2019-nCoV Spike S1 protein (STJP000023)

STJP000023

GENERAL INFORMATION

Product Type Proteins
Short Description 2019-nCoV Spike S1-protein was developed from human. For use in research applications.
Host/Source Human

PRODUCT PROPERTIES

Concentration
Formulation
Purification
Dilution Range
Storage Instruction

TARGET INFORMATION

Gene ID
Gene Symbol
Uniprot ID
Immunogen Sequence

This product is suitable for in-vitro studies under the RESEARCH USE ONLY [RUO] licence. This product must not be used as for diagnostic or other medical purposes.
