

Human VEGF 165AA protein (Recombinant) {Biotin} (STJP000219)

STJP000219

GENERAL INFORMATION

Product Type	Proteins
Short Description	Recombinant-Human VEGF 165AA-protein is for use in research applications.
Host/Source	

PRODUCT PROPERTIES

Concentration
Formulation
Purification
Dilution Range
Storage Instruction

TARGET INFORMATION

Gene ID	7422
Gene Symbol	VEGFA
Uniprot ID	VEGFA_HUMAN
Immunogen Sequence	

This product is suitable for in-vitro studies under the RESEARCH USE ONLY [RUO] licence. This product must not be used as for diagnostic or other medical purposes.
