

Human VEGF 121AA protein (Recombinant) (STJP000220)

STJP000220

GENERAL INFORMATION

Product Type Proteins
Short Description Recombinant-Human VEGF 121AA-protein is for use in research applications.
Host/Source

PRODUCT PROPERTIES

Concentration
Formulation
Purification
Dilution Range
Storage Instruction

TARGET INFORMATION

Gene ID [7422](#)
Gene Symbol [VEGFA](#)
Uniprot ID [VEGFA_HUMAN](#)
Immunogen Sequence

This product is suitable for in-vitro studies under the RESEARCH USE ONLY [RUO] licence. This product must not be used as for diagnostic or other medical purposes.
