

## Anti-SLP2 antibody [SRM13095] (STJ11107825)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | WB/ELISA           |
| Host / Source | Rabbit             |
| Reactivity    | Human/Mouse/Rat    |

### PRODUCT PROPERTIES

|                     |                                                                                                                                                         |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                                                                                              |
| Concentration       | Lot specific                                                                                                                                            |
| Conjugation         | Unconjugated                                                                                                                                            |
| Purification        | Affinity purification                                                                                                                                   |
| Dilution Range      | WB, 1:1000-1:5000<br>ELISA, Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Formulation         | PBS with 0.02% Sodium Azide, 0.05% BSA, 50% Glycerol, pH7.3.                                                                                            |
| Isotype             | IgG                                                                                                                                                     |
| Storage Instruction | Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles.                                                          |

### TARGET INFORMATION

|                    |                             |
|--------------------|-----------------------------|
| Gene ID            | <a href="#">30968</a>       |
| Gene Symbol        | <a href="#">STOML2</a>      |
| UniProt ID         | <a href="#">STML2_HUMAN</a> |
| Immunogen Sequence | Human                       |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
