

## Anti-Digoxin antibody [SRM14715] {HRP} (STJ11109445)

### GENERAL INFORMATION

|               |                     |
|---------------|---------------------|
| Product Type  | Primary antibodies  |
| Applications  | DB/ELISA            |
| Host / Source | Rabbit              |
| Reactivity    | Species Independent |

### PRODUCT PROPERTIES

|                     |                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                                                                                                  |
| Conjugation         | HRP                                                                                                                                                         |
| Purification        | Affinity purification                                                                                                                                       |
| Dilution Range      | DB, 1:500-1:3000<br>ELISA, Recommended starting concentration is 1 $\mu$ g/mL. Please optimize the concentration based on your specific assay requirements. |
| Isotype             | IgG                                                                                                                                                         |
| Molecular Weight    | Protein Weight 17kDa<br>Observed Mw Refer to figures                                                                                                        |
| Storage Instruction | Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles.                                                              |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
