

## Anti-Wilms Tumor antibody [WT49] (STJ16101804)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | IHC-P              |
| Host / Source | Mouse              |
| Reactivity    | Human              |

### PRODUCT PROPERTIES

|                     |                                                |
|---------------------|------------------------------------------------|
| Clonality           | Monoclonal                                     |
| Concentration       | >=44 mg/L                                      |
| Conjugation         | Unconjugated                                   |
| Dilution Range      | IHC-P 1:100                                    |
| Formulation         | Tissue culture supernatant with sodium azide   |
| Isotype             | IgG1                                           |
| Storage Instruction | Store at 2-8°C for up to 1-year, upon receipt. |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
