

**Anti-ApoJ/Clusterin antibody [SQab30335] (STJ16103051)****GENERAL INFORMATION**

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | IHC-P              |
| Host / Source | Rabbit             |
| Reactivity    | Human              |

**PRODUCT PROPERTIES**

|                     |                                                              |
|---------------------|--------------------------------------------------------------|
| Clonality           | Monoclonal                                                   |
| Conjugation         | Unconjugated                                                 |
| Purification        | Purification with Protein A.                                 |
| Formulation         | PBS, 0.01% Sodium azide, 40% Glycerol and 0.05% BSA.         |
| Storage Instruction | Store at-20°C for up to 1 year. Minimise freeze-thaw cycles. |

**ADDITIONAL INFORMATION**

|      |                                                                                                                         |
