

## Anti-MMS19 antibody (653-703 aa) (STJ195750)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | WB/ELISA/IHC       |
| Host / Source | Rabbit             |
| Reactivity    | Human/Mouse        |

### PRODUCT PROPERTIES

|                     |                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| Clonality           | Polyclonal                                                                                                            |
| Concentration       | 1 mg/mL                                                                                                               |
| Conjugation         | Unconjugated                                                                                                          |
| Purification        | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Dilution Range      | WB 1:500-2000<br>IHC-P 1:50-300<br>ELISA 2000-20000                                                                   |
| Formulation         | Liquid in PBS containing 50% Glycerol, 0.5% BSA and 0.02% Sodium Azide.                                               |
| Isotype             | IgG                                                                                                                   |
| Molecular Weight    | Calculated: 113kD                                                                                                     |
| Storage Instruction | Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles.                        |

### TARGET INFORMATION

|                  |                                                                 |
|------------------|-----------------------------------------------------------------|
| Gene ID          | <a href="#">64210</a>                                           |
| Gene Symbol      | <a href="#">MMS19</a>                                           |
| UniProt ID       | <a href="#">MMS19_HUMAN</a>                                     |
| Immunogen Region | 653-703 aa                                                      |
| Specificity      | This antibody detects endogenous levels of MMS19 at Human/Mouse |
