

## Anti-Phospho-SSH3-Ser37 antibody (STJ196438)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | WB                 |
| Host / Source | Rabbit             |
| Reactivity    | Human/Rat/Mouse    |

### PRODUCT PROPERTIES

|                     |                                                                                                           |
|---------------------|-----------------------------------------------------------------------------------------------------------|
| Clonality           | Polyclonal                                                                                                |
| Concentration       | 1 mg/mL                                                                                                   |
| Conjugation         | Unconjugated                                                                                              |
| Purification        | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen. |
| Dilution Range      | WB 1:1000-2000                                                                                            |
| Formulation         | Liquid in PBS containing 50% Glycerol, 0.5% BSA and 0.02% Sodium Azide.                                   |
| Isotype             | IgG                                                                                                       |
| Molecular Weight    | Observed: 74kD                                                                                            |
| Storage Instruction | Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles.            |

### TARGET INFORMATION

|             |                                                                       |
|-------------|-----------------------------------------------------------------------|
| Gene ID     | <a href="#">54961</a>                                                 |
| Gene Symbol | <a href="#">SSH3</a>                                                  |
| UniProt ID  | <a href="#">SSH3_HUMAN</a>                                            |
| Specificity | This antibody detects endogenous levels of Human SSH3 (phospho-Ser37) |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
