

## Anti-FXYD2 antibody (10-90 aa) (STJ196518)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | IHC/ELISA          |
| Host / Source | Rabbit             |
| Reactivity    | Human/Rat/Mouse    |

### PRODUCT PROPERTIES

|                     |                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| Clonality           | Polyclonal                                                                                                            |
| Concentration       | 1 mg/mL                                                                                                               |
| Conjugation         | Unconjugated                                                                                                          |
| Purification        | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Dilution Range      | IHC-P 1:50-200<br>ELISA-Pep 1:5000-20000                                                                              |
| Formulation         | Liquid in PBS containing 50% Glycerol, 0.5% BSA and 0.02% Sodium Azide.                                               |
| Isotype             | IgG                                                                                                                   |
| Storage Instruction | Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles.                        |

### TARGET INFORMATION

|                  |                                                        |
|------------------|--------------------------------------------------------|
| Gene ID          | <a href="#">486</a>                                    |
| Gene Symbol      | <a href="#">FXYD2</a>                                  |
| UniProt ID       | <a href="#">ATNG_HUMAN</a>                             |
| Immunogen Region | 10-90 aa                                               |
| Specificity      | This antibody detects endogenous levels of human FXYD2 |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
