

## Anti-NKX2-2 antibody (200-273) (STJ501928)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | ELISA/IP/WB        |
| Host / Source | Rabbit             |
| Reactivity    | Human/Mouse/Rat    |

### PRODUCT PROPERTIES

|                     |                                                                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Clonality           | Polyclonal                                                                                                                                                           |
| Concentration       | 0.68-0.70 $\mu\text{g}/\mu\text{l}$                                                                                                                                  |
| Conjugation         | Unconjugated                                                                                                                                                         |
| Purification        | Affinity Purified                                                                                                                                                    |
| Dilution Range      | WB: 1:500<br>DB: 1:4, 000<br>ELISA: 1:4, 000<br>IP: 1:150                                                                                                            |
| Formulation         | Contains Tris, HCl/Glycine buffer pH 7.4-7.8, 30% Glycerol and 0.5% BSA, along with cryo-protective agents, Hepes, and long-term preservatives (0.02% Sodium Azide). |
| Isotype             | IgG                                                                                                                                                                  |
| Storage Instruction | Store at -20°C for long term storage. Avoid freeze-thaw cycles.                                                                                                      |

### TARGET INFORMATION

|                  |                             |
|------------------|-----------------------------|
| Gene ID          | <a href="#">4821</a>        |
| Gene Symbol      | <a href="#">NKX2-2</a>      |
| UniProt ID       | <a href="#">NKX22_HUMAN</a> |
| Immunogen Region | 200-273                     |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
