

## Anti-PLAP antibody (C-Term) {Biotin} (STJ507853)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | ELISA/IP/WB        |
| Host / Source | Rabbit             |
| Reactivity    | Human              |

### PRODUCT PROPERTIES

|                     |                                                                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Clonality           | Polyclonal                                                                                                                                                           |
| Conjugation         | Biotin                                                                                                                                                               |
| Purification        | Affinity Purified                                                                                                                                                    |
| Formulation         | Contains Tris, HCl/Glycine buffer pH 7.4-7.8, 30% Glycerol and 0.5% BSA, along with cryo-protective agents, Hepes, and long-term preservatives (0.02% Sodium Azide). |
| Isotype             | IgG                                                                                                                                                                  |
| Storage Instruction | Store at -20°C for long term storage. Avoid freeze-thaw cycles.                                                                                                      |

### TARGET INFORMATION

|                  |                            |
|------------------|----------------------------|
| Gene ID          | <a href="#">250</a>        |
| Gene Symbol      | <a href="#">ALPP</a>       |
| UniProt ID       | <a href="#">PPB1_HUMAN</a> |
| Immunogen Region | C-Term                     |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
