

## Anti-Il17a antibody [TC11-18H10.1] {APC} (STJA0002138)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | ICFC               |
| Host / Source | Rat                |
| Reactivity    | Mouse              |

### PRODUCT PROPERTIES

|                     |                                                                                                  |
|---------------------|--------------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                                       |
| Concentration       | 0.2 mg/mL                                                                                        |
| Conjugation         | APC                                                                                              |
| Formulation         | Phosphate buffered solution, pH 7.2, containing 0.09% stabilizer and 1% protein protectant.      |
| Isotype             | IgG1k                                                                                            |
| Storage Instruction | Store between 2-8°C and protecting from prolonged exposure to light. Do not freeze this product. |

### TARGET INFORMATION

|             |                            |
|-------------|----------------------------|
| Gene ID     | <a href="#">16171</a>      |
| Gene Symbol | <a href="#">Il17a</a>      |
| UniProt ID  | <a href="#">IL17_MOUSE</a> |
