

## Mouse IgG2ak Isotype Control [C1.18.4] {PE/Cyanine5} (STJA0002363)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | FC                 |
| Host / Source | Mouse              |

### PRODUCT PROPERTIES

|                     |                                                                                                  |
|---------------------|--------------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                                       |
| Conjugation         | PE/Cyanine5                                                                                      |
| Formulation         | PBS with 0.05% Proclin300, 1% BSA                                                                |
| Isotype             | IgG2ak                                                                                           |
| Storage Instruction | Store between 2-8°C and protecting from prolonged exposure to light. Do not freeze this product. |

### ADDITIONAL INFORMATION

|      |                                                                                                                   |
