

**Anti-CD150/SLAM antibody [TC15-12F12.2] {EF700} (STJA0016444)****GENERAL INFORMATION**

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | FC                 |
| Host / Source | Rat                |
| Reactivity    | Mouse              |

**PRODUCT PROPERTIES**

|                     |                                                                                                  |
|---------------------|--------------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                                       |
| Conjugation         | EF700                                                                                            |
| Purification        | Affinity purified                                                                                |
| Formulation         | Phosphate buffered solution, pH 7.2, containing 0.09% stabilizer and 1% protein protectant.      |
| Isotype             | IgG2aL                                                                                           |
| Storage Instruction | Store between 2-8°C and protecting from prolonged exposure to light. Do not freeze this product. |

**TARGET INFORMATION**

|             |                             |
|-------------|-----------------------------|
| Gene ID     | <a href="#">27218</a>       |
| Gene Symbol | <a href="#">Slamf1</a>      |
| UniProt ID  | <a href="#">SLAF1_MOUSE</a> |

**ADDITIONAL INFORMATION**

|      |                                                                                                                   |
