

## Anti-TBK1 antibody [R01-1G3] (STJA0033867)

### GENERAL INFORMATION

|               |                         |
|---------------|-------------------------|
| Product Type  | Primary antibodies      |
| Applications  | WB                      |
| Host / Source | Rabbit                  |
| Reactivity    | Human/Mouse/Rat/Hamster |

### PRODUCT PROPERTIES

|                     |                                                                                          |
|---------------------|------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                               |
| Concentration       | 0.3 mg/mL                                                                                |
| Conjugation         | Unconjugated                                                                             |
| Purification        | Affinity Purified                                                                        |
| Dilution Range      | WB 1:500-1:1000                                                                          |
| Formulation         | 50mM Tris-Glycine (pH 7.4) , 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA  |
| Isotype             | IgG                                                                                      |
| Storage Instruction | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles. |

### TARGET INFORMATION

|             |                            |
|-------------|----------------------------|
| Gene ID     | <a href="#">29110</a>      |
| Gene Symbol | <a href="#">TBK1</a>       |
| UniProt ID  | <a href="#">TBK1_HUMAN</a> |

### ADDITIONAL INFORMATION

|      |                                                                                                                         |
|------|-------------------------------------------------------------------------------------------------------------------------|
| Note | STRICTLY FOR FURTHER SCIENTIFIC RESEARCH USE ONLY (RUO). MUST NOT TO BE USED IN DIAGNOSTIC OR THERAPEUTIC APPLICATIONS. |
