

**Anti-37530 antibody (250-350) [ABT211] (STJA0039018)****GENERAL INFORMATION**

|               |                    |
|---------------|--------------------|
| Product Type  | Primary antibodies |
| Applications  | IHC/WB/IF/ELISA    |
| Host / Source | Mouse              |
| Reactivity    | Human/Mouse        |

**PRODUCT PROPERTIES**

|                     |                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------|
| Clonality           | Monoclonal                                                                                     |
| Conjugation         | Unconjugated                                                                                   |
| Purification        | Protein G                                                                                      |
| Dilution Range      | IHC 1:200-1000<br>WB 1:500-2000<br>IF 1:100-500<br>ELISA 1:1000-5000                           |
| Formulation         | PBS, 50% glycerol, 0.05% Proclin 300, 0.05%BSA                                                 |
| Isotype             | IgG2bk                                                                                         |
| Molecular Weight    | Calculated: 51kD<br>Observed: 65kD                                                             |
| Storage Instruction | Store at -20°C for up to 1 year from the date of receipt, and avoid repeat freeze-thaw cycles. |

**TARGET INFORMATION**

|                  |                                                              |
|------------------|--------------------------------------------------------------|
| Immunogen Region | 250-350                                                      |
| Specificity      | The antibody can specifically recognize human Oct-2 protein. |

**ADDITIONAL INFORMATION**

|      |                                                                                                                         |
