

## Mouse EGFR/ERBB1/HER1 protein (Recombinant-Active) (C-His) (STJP012255)

### GENERAL INFORMATION

|               |                 |
|---------------|-----------------|
| Product Type  | Proteins        |
| Applications  | ELISA/WB        |
| Host / Source | Mammalian Cells |

### PRODUCT PROPERTIES

|                     |                                                                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulation         | Lyophilized from a solution in PBS pH 7.4, 5% Trehalose, 5% Mannitol.                                                                                                 |
| Storage Instruction | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8°C for one week. Store at -20 to -80°C for twelve months from the date of receipt. |

### TARGET INFORMATION

|                  |              |
|------------------|--------------|
| Immunogen Region | Leu25-Ser647 |
|------------------|--------------|

### ADDITIONAL INFORMATION

|      |                                                                                                                      |
