

## Human ETS2 protein (Recombinant) (His-Tag) (STJP018836)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Proteins           |
| Applications  | SDS-PAGE/Denatured |
| Host / Source | E.coli             |

### PRODUCT PROPERTIES

|                     |                                                                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Concentration       | 1 mg/mL                                                                                                                                             |
| Formulation         | Liquid in 20mM Tris-HCl buffer (pH 8.0) containing 10% Glycerol, 0.4M urea                                                                          |
| Molecular Weight    | 55.1 kDa                                                                                                                                            |
| Storage Instruction | For short term storage, keep at +2C to +8C for up to 1 week. For long term storage, aliquot and store at -20C, and avoid repeat freeze-thaw cycles. |

### TARGET INFORMATION

|                    |                                                                                                                                                                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID            | <a href="#">2114</a>                                                                                                                                                                                                                       |
