

## Human CD27 Ligand/CD70 protein (Recombinant) (His-Tag) (STJP019085)

### GENERAL INFORMATION

|               |                    |
|---------------|--------------------|
| Product Type  | Proteins           |
| Applications  | SDS-PAGE/Denatured |
| Host / Source | E.coli             |

### PRODUCT PROPERTIES

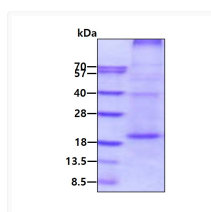

|                     |                                                                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Concentration       | 1 mg/mL                                                                                                                                             |
| Formulation         | Liquid in 20mM Tris-HCl buffer (pH 8.0) containing 10% Glycerol                                                                                     |
| Molecular Weight    | 19.5 kDa                                                                                                                                            |
| Storage Instruction | For short term storage, keep at +2C to +8C for up to 1 week. For long term storage, aliquot and store at -20C, and avoid repeat freeze-thaw cycles. |

### TARGET INFORMATION

|                    |                                                                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID            | <a href="#">970</a>                                                                                                                                                         |
